

Paula Receives Prestigious Award

Paula Meade recently received a 2013 AANP State Award for Excellence. The AANP (American Association of Nurse Practitioners) gives this prestigious award annually to one nurse practitioner in each state who demonstrates excellence in his or her area of practice. Paula and the recipients from other states were honored during the AANP's 2013 National Conference in Las Vegas earlier this month. Congratulations, Paula!

Lou Markwith on Working With *The Health Wagon*, His Firm

"Managing nonprofits and serving as a consultant to guide nonprofits, I have rarely found an organization with the character of the *Health Wagon*. I have known Teresa Gardner for six years and have come to understand and appreciate the care and compassion she and her staff bring to each patient. My visits are a highlight of my month.

"The philosophy of my firm, *DeWitt and Associates*, matches closely with the *Health Wagon* as our clients are our friends as well as our partners. We look at our selves as teachers and coaches. OUR SINGULAR GOAL is to ensure that our nonprofit partner becomes stronger and better able to serve its mission, its goals, and improve the lives of their clients.

"We believe through our methods we can strengthen the nonprofit businesses we serve. We spend time, first, learning about the nonprofit client's culture as well as its programs. Based on what we learn, we make recommendations to move their leadership, their management, and their operation to a higher level. We build knowledge within the nonprofit partner's leadership that will sustain the organization after the engagement is complete."

For more information regarding Markwith's firm, please visit the official [DeWitt and Associates website](#).

Upcoming Events

Wise, VA

July 19-21

6am Daily

To volunteer for RAM, please [register online](#) or call us at 276-328-8850.

Thank You!

To all of our volunteers, including the following who assisted us in May:

Bob Woodward
Shirley Woodward
Samantha Smith
Santana VanDyke
